“ I am very saddened to learn of the passing of Louise. She and my wife, Debbie Hoffman Royer became very good friends while attending banking school in Wisconsin. For several years after completing of that schooling, we would meet with Jerry and Louise to share time together over a 3-4 day period. My wife, Debbie, died of cancer in 2012 and I talked with Louise at that time. I just received the note of Louise passing today. She was a wonderful lady and a great friend.
