“ *A person could not have had a better friend than Marcelle. One of my most precious memories was working with her during the writing and publication of the book CHEROKEE AND PROUD OF IT. When we were hired to develop a curriculum for Jackson County Indian Students, our first thought was : How easy this will be! We were wrong for sure! After taking courses in Indian Studies, visiting libraries in several states, hiring an Indian Collaborator, visiting true Indian families in Cherokee, NC, exploring known Jackson and DeKalb County Indian sites, making pictures with a camera we had purchased at Unclaimed Baggage, we were able to create an Indian Curriculum, write weekly newspaper articles for the County Adult Indian Population and publish our book. Marcelle was a loving person, a friend to all and an epitome of a “Charming Southern Lady”. I had the privilege of meeting and working with many family members and appreciated and respected every one of them. Family, you have my deepest sympathy, and I consider knowing Marcelle as a highlight of my life. God bless and comfort you now and in the days ahead. With love, Brenda K. Brown~Section~*

“ *Ms Marcelle Edwards was a very gracious Lady. She was a 60 plus member of the Scottsboro Chapter #202 Order of the Eastern Star. Although she didn't attend the meetings because of them being at night but we often talked of her and how sweet she was. She enjoyed going to the Gospel singings and we would see her there. She was so proud when her Granddaughter became a member of our Order. May God Rest her Soul. She will be missed by all that knew her.*
