“ *Ms. Margaret was such a kind and wonderful lady, I met her in 1999 when I was working for a company which supplied maps to the chamber. She was so amazing and we became friends and corresponded for years and sent Christmas cards to each other. The last correspondence was when she learned by Ms. Martha Gross that my Mother had passed on July 10th & when I arrived home from the out of town funeral, I had a sympathy card from her and before I could reach out to her to thank her, she had gone to Heaven. This is the Lady she was, so wonderful! I am so Blessed to have known her!*

“ *I remember all the times we stayed with you when you lived in Lexington. We were treated to burgers and milkshakes at Big Boy restaurant in Mansfield. Aunt Margie would put my hair up in brush rollers and I had to sleep on them over night. Fly high with everyone who has already gone ahead of you.*

“ I met Margaret in 2019 when my husband and I moved across the street from her. She was my rock this past year after losing my husband in July 2021. I loved her like a sister. She kept me feed and never gave me a chance to get depressed. I will miss our nightly Braves baseball texts and our critiquing of the other team. Praise God from on high my friend.
