Miss Me - But Let Me Go

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free?
Miss me a little - but not too long
And not with your head bowed low
Remember the love that was once shared
Miss me - but let me go
For this is a journey that we must all take
And each must go alone
It's part of the Master's plan
A step in the road home
When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows
In doing good deeds
Miss me - BUT LET ME GO
