“ Treasured her friendship for many years. We lost touch past 15 yrs other than occasional phone call. Hold good memories of her in my heart. She could remember every date & detail and describe things to a tee. She was a great cook, superb writer, dedicated teacher, and knew and loved every branch on all our family trees. Cynthia Brown

“ Marilyn and I were good friends for many years. She adored my son Jason as he was just a babe. She and I had drifted apart because I was no longer in Scottsboro. I talked with her awhile back and she was not well but was feeling closer to God than ever. I know she will be missed.

“ My sympathy is extended to Marilyn’s family. I enjoyed the time working with her in the Jackson County School System. She added happiness, additional love and care as she involved students in the learning process.~~Brenda Brown~~Section
