“ I was saddened to read of the passing of Mark. He and I both attended and graduated from Florence State College before it became UNA. We were both from poor farming families and often rode home from Florence together with someone who had a car. ( Back in those days few college students had cars). I'll remember Mark as a sweet, respectful, personable gentleman. After graduation we seldom saw each other, except maybe in a “ run in to” at Wal Mart or when I was out on the campaign trail. My deepest sympathy is extended to his family. I pray for your peace and comfort now and in the days ahead.
