“ *Pete was such an amazing friend and member of our family. He was the kind if man that would help you any any situation without questioning the reason. Our children all loved him kind of as a grandpa and a friend. Wiley and I were honored to be a part of his and his family's life. He was greatly loved and will be remembered daily in our hearts. The lord greatly blessed Pete in his talents and his loving heart. He was also very blessed to have Nancy and their family to love and be loved by. He is probably fishing in a great river above breathing easy and telling someone how to do something..... God bless your family and know you are in our thoughts and prayers. Love you all, Wiley, Angie and family.*
