“ *Mary was a sweet and strong Christian lady. I admired her so much. We were neighbors in the late '80's/early nineties. I was a single parent with three small children and had gotten a job on the Arsenal requiring me to be at work in Huntsville by 7:00am every day. Miss Mary was the kindest hearted lady. She got up extra early and walked over to our house each morning, well before daylight to take care of the children until the school bus came by for them. Each morning, she woke up the kids, helped them get dressed for school, combed their hair, fed them a light breakfast, and ensured they got on the bus with their lunches and backpacks every single school morning. She was a precious soul who quietly did so much for not only me but countless others. She was an expert seamstress and designer. She took measurements and designed many beautiful dresses, wedding gowns, whatever was needed required only matching thread. Most times, she didn't need a pattern. She was a true Christian and a help and inspiration in many ways. We stayed in touch for years and I was so sorry to learn she was no longer with us. Heaven is brighter and happier with Mary. My prayers for her family.*
