“ *I have had many conversations with Kathleen in the past and I could feel the love coming from her for every person. I loved her with all my heart and I know many people that feel the same way as me. She was a super person and I know she's in heaven with the Lord ,dancing with the angels, to the songs that she herself wrote. I loved this lady, and I'm praying for the comfort of her family and friends. We have all lost a wonderful person on earth, but the angels are rejoicing with the lord. I'll miss you Kathleen with all my heart. I loved you dearly.*
