“ Matt was 9 months older than me. He was always more like a brother than a cousin. Growing up, he was always a little stronger, a little faster & a little smarter than I was. Once again, he has beat me by making it to heaven 1st. What a race we had. I'll cherish all of the memories.....the blood (literally), the sweat, the tears, the countless stories & the laughter. He was the kind of man that anyone would love to call friend. He will be greatly missed. However, I expect a grand reunion one day when we can sit and talk again. I and my family are proud to say that he was ours.

“ *Matt worked on nights with us at the infiniti plant. He was full of life and nothing could bring him down. We were always getting into it about quality stuff at work but some how Matt was always right (even when he was wrong). We will miss you brother!! And we love you and your family very much. Isaiah 41:10 “So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”*
