“ *I worked with Mazie at the Sentinel several years ago. She was very professional, intelligent, and dedicated to her work. I was not surprised when she and her husband successfully established their own newspaper.*

I stayed in contact with her on FB once we went our separate ways, and I always enjoyed her hummingbird pictures. Even though we didn't visit in person recently, I will miss her tremendously on Facebook 😭❤️🌹

I am praying for her family who clearly loved her so much 🙏 I will see her again one day in Heaven. I'm thankful she was a Christian.

“ Growing up with Mazie in the community of Ridgedale was so much fun. Riding bikes, walking, swinging in her swing on the porch of her home and listening to the little square box shaped radio, putting pennies on the railroad track and playing football in her yard and even eating a nice home cooked bowl of pinto beans and cornbread Mrs. Tubbs cooked. I even remember the little country store her Mother ran. Mazie will truly be missed. She was a wonderful friend to have in my childhood days. “ Great memories of her growing up together in school....She was a wonderful person. She has the best heart and she always said I was her friend no matter to who or where we were. She will always be a sweet spirit to me. Rest On My Sister Friend..
