“ My heart breaks for the family, my prayers are with you through your loss. I am so sorry that I can not be there for Melissa on Friday. I also have a death in my family and will be out of state. Melissa will always be in my heart, she was very dedicated as a Nurse and as a friend. She was always so kind to everyone. In the years that I worked I saw only love for everyone. She was a special example of a Christain woman. Rest well my friend. BP

“ *Robert and Trent,*

I can't begin to tell you how sorry I am to hear of Melissa's passing. I always enjoyed seeing her. She was a loving, caring, young woman and will be missed by all that knew her.

I will not be able to attend visitation or the funeral. Phillip and I are leaving early in the morning for Virginia. We have a granddaughter graduating from high school. I wish I could be there, to hug both of you in person, and give you my condolences. My heart breaks for you. You have always had and will always have, a special place in my heart.

Love, Peggy Meredith
