“ We met Becky and Michael on our trip to Ireland in April 2023. What a wonderful couple. Michael would say something funny out of the blue and had us laughing as we walked the streets of Ireland. Although we only saw them for a short 10 days, each day was a memory for us to remember and cherish. They made our trip beyond wonderful. We are so blessed to have met Michael and cherish him.

“ Dear Becky and family — We enjoyed Mike’s sense of humor, kindness and his good taste in music! It was oddly reassuring to see him working in the garage and to hear his music playing. How wonderfully blessed we were to call him “Friend,” as well as neighbor. We are still blessed because we still still have you. He’s greatly missed already. ❤️
