“ I believe Mike was my cousin, but I hadn't seen him in 50 years. My father was Andrew Jackson Foster Jr, and my grandfather was Andrew Jackson Sr.

“ Michael and I were married for 1 year and had known each other for two years prior to marriage. He loved to travel, especially to Gulf Shores "Shrimp Festival" where we would often volunteer to work in the booths. Michael had a loving smile and enjoyed meeting people. Michael will always have a place in my heart.

“ So sorry to learn of Mike's passing. We've been friends for some forty years. In the last couple of those years we took road trips together and shared hours upon hours of conversations and many laughs. I know he's happier now than he has been in years. He's healthy and happy now. So sorry for his loss. RIP Big Mike. You will be missed, my friend.
