“ *We loved Sis Midge so much! We knew she had bad health for a long time but I never heard her complain. She came and visited me at a time that I needed the advice and such sweet guidance from a mom. I know she wasn't my fleshly mom but the advice she gave me couldn't hardly been anymore than that of my real mom. She was such a sweet child of god! I know y'all will miss her bad because I miss mine and she's been gone 19 years. But no more pain nor sorrow will she ever know and that's so good! Jill, Vanda and the other kids know we are praying for y'all and love y'all!*

“ *Sis. Midge will be greatly missed for so many reasons more than I can express. She was so kind and encouraging and of course that smile could melt your heart. I remember the time she came to offer me a seat at church and I was so honored to sit by her. I will always remember her gentle spirit and the love she generated just by in her presence.*

Heaven has gained a precious Child of God. Please hold a seat for me Sis. Midge.

*Love you,

Vanda and Jill so sorry for your loss! We have loved Sis Midge and her family many years. She always was encouraging to be around. Several years ago when I was at one of my worse points in my health she came and visited with me and all she ever talked about was how good God was and telling me her experiences in life and I truly enjoyed it and will never forget it! Praying for you all thru these trying days ahead!
