“ *Kevin and I just found out about this and I am heartbroken. Nick was hilarious, sweet, generous, warm and kind and he will be so missed! I remember so much laughter with Nick and friends-I was so very fond of him! He shared his talent with us-taking family photographs one year with our new son-just 10 mo old-he was great with him and my older son-he got them to laugh and smile for the camera so effortlessly-because of his innate humor and lightness. I will cherish those photos even more now. God bless-Camille*

*I'm so sorry!! I miss him everyday! Everytime I see my granddaughter who is 14 now, she's beautiful!! I know he's looking down and so proud of her!! Thank you for sharing the beautiful words about Nick. I miss that smile and the way he loved to aggravate me, it was funny!! I will see my precious son again one day! Something tugged at me to go on this website and I believe it was for us both! God bless you! I'm Kathie, Nicks mom.*
