“ *Miss Selby, as I knew her, was such a comfort for me when my own mama was passing a few years ago. I had married and lived in New York and when I came to Alabama to be with mama I did not know a lot of people and it could be lonely. Mr. and Mrs. Selby were kind to me. Miss Selby made me a friendship cake one day and that was such a generous and warm thing to do it lifted my sadness. I could never thank her enough. And Mr. Ernest told me and my husband great stories. We miss them both. I am sure the family knows what a blessing those two special people were. I want to thank them for sharing their parents with me. Good people are rare in this old world. May you all be comforted.*
