“ *Patsy and I started first grade together at Caldwell Elementary and continued throughout, both playing in the band and graduating Class of 1968. After that, we lost touch. I've never been to one of our class reunions, but hope to go to the 50th to see the faces of those classmates I haven't seen since 1968. I am sorry that Patsy will not be one of those. It would have been great to see the girl with whom I shared 12 years that helped form the people we became.*

“ Pat,  
You will be missed greatly by many people.  
I will miss those Christmas cards you always sent to me. This year I tried to send you one before I got mine. I failed!  
I will always remember the trip I took to Alabama w/ Aunt Jo and Mikayla when Joseph was living with you. You prepared such a scrumptious meal. My son used to look forward to the cookies you would bake and send through the mail. You were a great cook as well as a great person.  
Happy to have had you in my life!  
Rest in peace on the other side!

“ I use to work with Pat at DHR. Although she normally was a quiet person, she definitely became animated when she talked about her girls--she loved all of you very much! Pat was a good co-worker and employee, and I appreciate having worked with her.

*I am so sorry for your loss.*
