“ *Our hearts go out to your family! Pat was one of the sweetest men we've ever worked with. He was generous and loving to everyone he met. The last time we visited with Pat was at his rental cabin by the water in SC. Wayne and I and Pat all sat outside watching the eagle across the water. Pat and Wayne told story after story about all the trouble they got into as young boys! Think they were cut from the same cloth. Pat will truly be missed by many! We will hold you in our hearts.*

“ *I met Patrick when I went to work at HTPG. In a plant, there aren't a lot of men you can respect, but he was definitely one of them. You all were blessed with a special man, I can't imagine the loss you are feeling. Everyone knew how important his family was to him. Along with the heartbreak you will find a comfort from being truly loved. His is a kind soul, bless you all and remember him with happiness.*
