“ *I'll always remember Paulette with fondness and profound respect. She was a dear friend who willingly gave endless hours of her time to help others and was instrumental in helping me change my life.*

“ *We are so sorry to hear about Paulette. It is hard to talk about Paulette without talking about her parents! I loved going to visit (and sometimes spend the night) Uncle George and Aunt Irene when we were kids! I started to say after I grew up (I should say got older) Aunt Irene was my "go to" person for any kind of flowers! As you can imagine, I didn't know anything about flowers but I never had to worry about it because I just called Aunt Irene and she took care of the rest! I would go by Roper's when it was convenient and pay my bill! We will be praying for y'all!*
