“ *When I came from Larkinsville Elementary to Woodville starting the 7th grade, I hardly knew anyone. Peggy was the first one to smile and reach out. We had such great fun being cheerleaders. Such fond, sweet memories. You will be missed, Peggy.*

“ *I am very saddened to learn about your tragic loss. I remember Peggy as a cute and sweet teenager, not as an adult, but I know she was still the same sweet person. Jerry and I were great friends and classmates. May God comfort the family and friends who knew and loved her best. So sorry that I did not get this notice of her death until it was too late to attend her services.*

“ I worked with Peggy at Nelson Elementary School. She was a Classroom Assistant in the second grade where she helped teach and was so helpful to her Teacher, Mrs Rosa Baty, who sang her praises to Principal, Mr. Jerry Chrisman. Everyone at Nelson, Parents, Teachers, and most of all the children loved and trusted Miss Peggy!! She was a spirit to me, in the office. I had known Peggy from childhood and she became like a daughter to me. She was the proud Mother of her only son. Later when she left Nelson, I could meet her in the grocery store or Walmart's, and she would tell me all a bout her son and the grandchildren. No one loved her family anymore than Peggy. May she rest in peace and await for her family to join her.
