“ *Sad time because my friend Phillip Seabolt has lost the battle with cancer. We worked together for many years at the Guntersville Housing Authority. He was such a good plumber and repairman that led to his promotion as Maintenance Supervisor. Quiet leader that could do it all and loved people. If he had not been a Maintenance Man then he should have been a world peace maker. Most of the time he could smooth the roughest situations out with his crew, tenants and public. HE LOVED PEOPLE!*
