“ *We were so sorry to hear of Phyliss passing! She was a very sweet and kind hearted during the death of Taylor. She had made me a granite plaque with a saying from Macy to Taylor. She gave it to me at the last viewing at her funeral as she went around. Hoping and praying God wraps his loving arms around your family and gives y'all that sweet comfort!*

“ So sorry to hear. I was fortunate enough to meet Phyllis back in 1999 when Macy and Matt started kindergarten. They went all the way thru and graduated together in 2012. She was always so sweet to us. When Matt didn't get to go on one of their field trips she made sure to bring him back a souvenir. I'm grateful to have known her. Your family is in our prayers.
