“ *Mom, it's been nearly 4 years since you left us. There hasn't been a day that has passed that I haven't thought about you. I've been told it gets easier with time, and I'm still awaiting that day. I love you so very much. I long to see your face again someday. Knowing you are no longer in pain and having received God's ultimate healing does make it tolerable. Until we meet again in Heaven, I will be missing you.*
