“ *Randall was one of the great ones for sure!!!! If you was his friend then you was his friend for life!!!! He saved me from drowning when we where teenagers and everyone else just left me but not Randall, he swam across Goosepond to save me when I fell off my float, that was one of r cherished memories we'd talk about everytime we'd see each other out throughout all the years. I will miss him forever and I will always think about him with only fond and cherished memories. I am so sorry for his mamas loss and his whole family and friends*
