“ I just found out about Ray, he was one of the best friends I’ve ever had, memories of going to the Braves Baseball Games will never go away.
Ray treated me in business and a friend with respect. Great Man

“ I was very sorry to hear about Ray’s passing. I saw it Facebook today. I don’t get on much. I am still old fashioned. I enjoyed talking with him. He always helped me with lawnmower blades and other things I needed that he didn’t have in the store. I am very sorry for his passing. I know a little about losing a family member. Over the years I have lost a father, mother, brother and the love of my life my wife. So I am so sorry. If I known in time I would have come and paid my respects. Butch
