“ My daddy Rayford Evans.. Was a very hard woker all of his life. Its was harder times for him growing up farming picking cotton and all kinds of farm work. He leaned a trad "Carpenter any construction"at a early age at 15 yrs old lost his leg.Never seen a man as strong and tougher then him. Not just saying that because he's my dad. He enjoyed fishing and hunting at age 85 past away. Never will forget him and his wisdom!!! That knew on life. For the most part from what I can see the night before and the night he also passed away he made it to the other side. God is real also his Angeles is to. Alot of people dont understand what goes on in the real world. Im 42 yrs old it took me over 20 yrs to understand most part of it. Never will for get him and all the fishing time we shared, knowledge also. YOUR LOVING SON LOVE YOU JESSE RAYFORD EVANS, CRYSTAL DAUGHTER IN LAW SOON.
