“ I first met Cass, well I really don't remember how long ago it was. You see, he was more than just the insurance salesman that showed up to collect my premiums. Cass took the time to get to know us and our cats. Cass especially loved coming to our house (whether we were home or not) cause he loved our cats and kittens. He stayed a little extra time just to watch the kittens play. Cass made a lasting impression on me and I'm so sorry that he is no longer with us. God speed my friend. Debbie Franko
