“ *Uncle Richard was a wonderful man. The best uncle I had. I'll never forget the Pink Floyd talks, his younger days memories, laughing with him and just everything. He was one of a kind. We all love you Uncle Richard. Shine your light on Colton and give him the strength and guidance. He is the best son and the son YOU raised. I know your as proud of him as I am. Send Jackie little signs to let her know your still beside her because we never saw one of you without the other. I'm honored to know and have witnessed myself how you were a dad to Amanda, especially with her father passing at an early age. I pray she knows how much you love her and proud you are. Rest easy Unc. Your forever missed and Always loved!!!! Say hello to Grandma and Pop and my other family. We will all rejoice together one day in our wonderful Father's home! It's not goodbye, it's I'll see you later. Love you soooo much*
