“ *I have known Dicky for many, many years. I knew Mrs Patrick when I worked at Betty's Place Of Fashion after high school. Dicky was always very sweet, kind and always smiling when I would come in and out of their place when visiting. May you Rest in Peace. May God place his arms around Sharon and Give her LOVE, PEACE THAT ONLY OUR Heavenly Father can give. May the PEACE of the Lord be Always with you and All the family and friends.*

“ Dickie was a good friend when I was growing up. He taught me how to play golf and I enjoyed playing at his house. His father built our house on Hamlin St that we moved into in 1958.

“ My parents move to the lake (Roseberry) in the 50's, Before moving to Roseberry, they lived on Fort Payne Highway. The Patrick's were always our neighbors. I remember we went to visit them Dicky was born. I was only eight years old then. I grew up with Dicky, Steve, and David. They were like brothers I never had. I would tell them horror stories and give them all kind of ill advice. My favorite Horror Story I told Dicky was that of Red Kelly.

*A mountain man that roamed the shores of Roseberry during Summer nights looking for young boys to "Kidnap" and take to his mountain cabin to enslave and torture. Anyone Red Kelly took was never seen again. I'm not sure how Dicky took this, but I never saw him along the shore at night.*

*Dicky I will miss you. May you Rest in Peace.*
