“ *Ricky was a really nice man, always smiling and optimistic even when it was obvious he didn't feel well. Glad I got to know you here and I'll see you in the resurrection. Rest now.*

“ Rick and I became best friends when we needed each other the most. He was always there and even though he had not raised any kids he sure was great with my grandchildren. They loved him dearly and are saddened by the changes that have taken place over the last few years. I will always remember him with a smile in my heart and love in my soul. He was a great man and so very talented with wood. His intelligence was amazing and I respected him and his choices. He loved his mom and brother so very much. He worked because he liked to, it made him feel good about the day and he also came to know Jesus around Easter 2016. He is a great memory I will have for the rest of my life. Rest well my sweet friend thank you for all you did and the love you shared with me and my family you will always be held in the highest respect in our world. You will be missed by each of us. Love you my sweet friend.
