“ *Warm memories of my very special Uncle Gerald, aka Robert Doyle. He had a special smile...a special walk and always listened to what you had to say. He loved to entertain the little children, as I remember when I was little how fun it was to spend time with him. And how he always gave children special attention and made time with him fun. He had many adventures as his brother, my dad, James Doyle, has told me.... Wild horses could not defeat him, literally, as he was one who seemed never to fear. He wore many hats in his career life and took on many positions that he had never done before, but he succeeded in most everything he did....he had a good heart, but even better, he received our Lord Jesus in his life and we now know our dear beloved is in Heaven, and we will see him in a little while. My heart goes out to his wife Bobbie, as I know she will miss him the most, and to his granddaughters Kayla and Shonda and his great grandchildren. May the peace of God be with each loved one who mourns their lose of this incredible man. Including my dad James Doyle his brother who loves him so very much!*
