“ *My wonderful uncle and friend. He was so amazing in so many ways I don't even know where to start. I loved that man more than anything. He was one of the greatest men I know. He was always smiling ,happy and I never knew him to be in a bad mood or even say anything bad about anyone and trust me I was there a whole lot as a little girl. It was always one of my favorite places to go and visit because we always had so much fun there. I love you Uncle Scooter and you were and always will be in my heart and you will always be one of the best men ever!!!! If there were as many good men out there as you I would have no worries for my little girls. I hope they all find a wonderful man as yourself. Well they have me for a mama so I guess you know they will. I may not have always found a man amazing as you but I am definitely gonna make sure all my girls do. I love you and will miss you for always. I will talk to you and my mom in my prayers tonight!!!!*
