“ *I will forever have a special place in my heart for Uncle Junior! The funniest story he has ever told me is that for a long time while I was growing up, he thought I was a little BOY!! He said I was always out in Daddy's (Was in Hodges)shop and always had greasy hands like I had been working on cars with him. I was a big Tom boy for sure ! He was The most lovable , funny and genuine man you could wish to know and he will be greatly missed! I love you Uncle Junior with all my heart! I know Daddy and Flossie were waiting on you though... With open arms*

“ To Anthony and family: I send my heartfelt prayers and condolences in your tragic loss of Robert. We grew up together in that beautiful community of Hollytree. Robert was always a kind soul and a friend to everybody. He and my husband, Wayne Koger, were Facebook buddies and Wayne always encouraged him to write about Hollytree on Facebook. I know you will miss him so very much. May God be with you and your family!

Love and prayers, Wynness S Koger 🙏❤️👩
