“ Rodney has been a wonderful cousin. With his dry wit, he would promise me a snake whenever I requested a steak. He loved to pick. But he loved our community and its people. He would go on the spot to help at any hour. He done this before we had a fire dept, seems only appropriate that he would become the image of our fire dept. His Aunt Jewel held him in high regards, as does he children. I will miss this staple of Crow Mt.
