“ *To Brenda, Melinda and Daniel - I worked with Roger at Boeing for about 6 years in the early 90's (we both worked for David Romig - another wonderful man taken by cancer way too soon). Your Dad was a pleasure to work with and a good friend to many folks here at Boeing. Roger spoke of his family almost daily and he could not have been a more proud Father - he loved his kids more than life itself. As I paged thru the photos you guys loaded here, I had to smile at the wonderful life you guys had as told thru your photographic memories - a life full of family, happiness, travel and most of all love. You all have my deepest sympathies...*

“ I have not seen Roger in a very long time, but I have many fond memories of playing with him as a child at our grandparents': Papa Jim and Ma Vera.

“ To know Roger was to love him! He was a special friend. One of my fondest memories was him riding his scooter to our house. One day Roger, my brother and I attempted to dissect a parakeet that had died! One of my most recent memories is sitting with him at a funeral. At the end of the service I asked him if he had a personal relationship with Jesus. He said yes. My reply was "Good - I am going to heaven and I don't want to go without you." Your buddies in the class of 1962 will miss you. Nita Dawson

“ *The time that Huey was in the hospital, Roger was with us all the way, and I remember me being so anger with the person that hit Huey, Roger was always there with helping words to get me thru. I always said that my brother in there, Roger told me he would be my brother, but done tell Huey. I am so blessed to have Huey and Roger as my brothers. Love Brenda and Roger both. (Reba)*
