

Mr. Ron Bray

November 28, 1956 - April 4, 2026

It is with deep sorrow that we announce the passing of Ron Bray, who departed this life on April 4, 2026.

Ron was a devoted husband, father, grandfather, great-grandfather, and a true pioneer in his community. He dedicated over 40 years of his life to serving others as a paramedic, becoming the very first in his county to hold this vital role. Through decades of unwavering commitment, he answered countless calls for help, offering care, compassion, and hope in moments when it was needed most. His work helped shape emergency medical services in the community, and his legacy will continue to impact lives for generations to come.

Above all, Ron was a family man. He is survived by his loving wife, Linda; his daughter, Kelley (Jeremy); his granddaughter, Addison (Andrew); his grandson, Conner; and his great-grandson, Whit. He found his greatest joy in his family and cherished every moment spent with them.

He will be remembered not only for his groundbreaking service and dedication to others, but also for his kindness, strength, and steady presence in the lives of those who knew and loved him.

Honorary pallbearers are his esteemed colleagues of Highlands Emergency

Medical Services, who were his brothers and sisters in service.

Family will receive friends on Thursday, April 9, 2026, from 11:00 A.M. until 1:00 P.M. at the Scottsboro Funeral Home Chapel with a Memorial Service starting at 1:00 P.M.

In Lieu of flowers, please make donations to the Scottsboro Animal Shelter.

“ Tracy and Karin purchased the Simply Elegant Spathiphyllum for the family of Mr. Ron Bray.

Tracy and Karin - April 06 at 04:28 PM

TS

“ I looked forward to October when Ron and Linda would come down to Panama City Beach and spend time with us. Ron was a genuine fine fellow and I can't believe he's moved on to his heavenly home already. Ron and Linda got married at the same time that Karin and I were wed, and Linda has worked with us for years so we just naturally became friends. We will miss Ron, and we are here for Linda. We love y'all.
