“ Hey cuz,

*Miss you already. Thank you for all our talks and taking good care of "my" car. Most of all, thank you for the love you showed to all of us. Especially for those visits to my mom and dad. They loved it when you'd stop by. In the last few years, you continued to spoil mom with love and attention. I am at peace knowing you were able to fulfill your dream of moving to Alabama and I know that you knew you were loved.*

*God bless you! Now you can share some stories with Meredith about me. Keep some secrets though, so we keep her guessing until we are all together again. Until then, I'll keep you in my heart and in my memories.*
