Ronto would always hug me and kiss my cheek; every time I saw him. He looks so much like his Dad; same personality and smile. Several years ago I took Ronto for a ride on my jet ski. We rode to Jones' Cove; as I was turning the jet ski around, he leaned the wrong way and we flipped. We still laughed about that. This will always be my special memory of you, my nephew.

*Love you Ronto,
Aunt Burma*
