“ I met Danny several years ago after purchasing items from his business (Nu Image) in Decatur. Although it was a small purchase he made me feel like I was his only customer and he sincerely appreciated me being there. I continued to patronize his business and got to know him on a more personal level. I soon realized that Danny was just a good person and we became friends. I will certainly miss our conversations in the store as I'm sure other customers will as well. Rest in peace my brother.

“ I am so sorry to hear this. For about ten years, I coached youth league baseball and basketball in Priceville. After my first visit to Nu-Image, I never went anywhere else. Partly because of price and quality, but always because I enjoyed talking to Danny. We'd talk camping and motorcycles and kids and he was just a great, sincere guy. My heart breaks for his family and friends and my prayers are with you all.
