“ *My Great Uncle Sam Tipton was a driving inspiration, (as well as my late Cousin Bruce Tipton) into my enlisting into the US Navy. Irony that Uncle Sam served on a ship hunting enemy submarines -and I served on a nuke submarine.*

There was absolutely nothing that my Uncle Sam could not fix! I remember seeing him build the home on Stateline Road in East Ridge as I grew up in Chattanooga. And there was no more devout of a Christian man with the morals that few men can live up to. I'm 100% sure that Uncle Sam is in heaven with my Aunt June singing gospel hymns.

Rest your oars sailor, we've got the watch. 🇺🇸
