“ *Again I can say Joyce was more than family to me. She and I shared ,many, many days of talk and memories of old times. She will always have a very special place in my heart and I will always remember all the important advice that she would give me to make my life better. Until we meet again sweet Joyce.*

“ There are friends who go days, months, years without seeing each other, but when they do it is as if a minute never passed. We are those friends. I will always remember your laughing, fiesty, loving soul and the many memories in our younger days. Feel so lucky you were in my life. Until we meet again dear friend watch over us all with your beautiful Angel wings guiding your loved ones in the right direction.
