

Ms. Sarah Meeder

January 6, 1948 - August 3, 2021

Ms. Sarah Meeder, age 73, born in Pennsylvania on January 6, 1948, passed away on Tuesday, August 3, 2021 in Scottsboro, AL, where she called home for many, many years.

Sarah was a registered nurse, over corporate compliance, and taught CPR classes at Jackson County Hospital, which now is known as Highlands Medical Center, for over 40 years. She was awarded caregiver of the year many times and the hospital created a nursing scholarship in her honor.

Our community sadly lost one of the greatest caregivers who devoted her time and care to everyone she came in contact with and never asked for anything in return. Everyone loved her cooking at the hospital functions and fundraisers. She spent many years as a Girl Scout leader and was always making donations to anything and everything. Not only will she be missed in our community, but she leaves behind family and friends, who will never forget her.

Her wishes were to be cremated and for no memorial service. She felt as if she had left her mark already.

Arrangements Entrusted to Scottsboro Funeral Home

“ I have spent many hours with this wonderful woman! We were part of a group that we labeled The Dinosaurs! Between the four of us we had MANY years (over 100 I think) of Girl Scout training and experience amongst us and we spent a lot of time together in Scouting. When we all decided to call it done, we just started going out to eat with each other just because we enjoyed the company. We will miss you, Sarah...your fellow Dinosaur, Ginia and the egglet and youngest Dinosaur, Hannah.

“ What a remarkable woman! Sarah was one of the most dedicated and caring nurses anyone could meet. Her years of service in healthcare will be remembered by many. It was an honor to have had the opportunity to know and learn from Sarah.
