“ I don't know Scott, but I know Tara and Savannah and now, Ms Mary. I have heard sooo many great things about Scott... and knowing that his personality and candor will live on in all who knew him well, is heartwarming to those who didn't know him. Know that God's unwavering love met him right where we was... and there is no more pain for him. I pray peace, strength, and wisdom over these next weeks, trying to find a new normal without Scott. God is in every detail... we love y'all! Shelli Howard and family! #47
