“ *Death has been likened to a great predator, it swims throughout this world taking many victims in it's path. Please find comfort in the fact that the bible says real soon death itself will be swallowed up forever and will not claim human lives anymore. Isaiah 25:8 says that God will actually swallow up death forever and that he will wipe the tears from all faces. I'm sure you will agree that will be a wonderful time. In the meantime, please find comfort in the fact that the bible also says that there will be a resurrection of both the righteous and the unrighteous.*
