“ *Billy and Shirley, Lynn and I are so sorry to hear of Stan's passing. I remember all the baseball games when they were kids, I always liked him. We won't be at the funeral because of this virus. Prayers for both of you and Scott.*

“ Stan and I used to deer hunt together when we were growing up. Those days we spent in the woods were some of the best days of my life. We were two crazy kids hoping to get the Big One. I moved away from Scottsboro and haven't seen Stan for many years but he was a good friend and I will never forget our good times. God bless him and may he rest in peace.
