

## Mr. Stanley Bruce Hastings

September 11, 1947 - February 8, 2021

Mr. Stanley Bruce Hastings, age 73 of Limrock, passed away Monday, February 8, 2021 at his home.

Stan was born on September 11, 1947. He spent his childhood working on his family farm in Limrock, Alabama. He graduated from Scottsboro High School in 1965. He then served his country in Vietnam from 1967-1969. Stan was employed with IBM for 43 years and retired in 2008. In his later years, Stan enjoyed working on the family farm. He would work for many hours each day bailing hay, fixing fences, raising cattle, driving his tractor, and enjoying the outdoors. He had a great love for his wife, his children (and their wives), and his four grandchildren. His greatest love was for the Lord and His church. He was a member of the Church of Christ for many years. He loved life but was ready and prepared for the life to come. Stan was truly a joy to all who knew him as a husband, a father, a granddad, and a friend. He will be greatly missed but never forgotten. The words the Apostle Paul used to describe the end of his life can also be used for Stan: "I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will give to me on that day, and not to me only but also to all who have loved His appearing. (2 Timothy 4: 7,8)

He is survived by his wife, Joyce Hastings; sons & daughters-in-law, Chad &

Jessica Hastings and Mark & Rachel Hastings; grandchildren, Alyssa Hastings, Katie Hastings, Hannah Hastings, and Ben Hastings; and sister-in-law, Janis Hastings. He was preceded in death by his parents, Gentry & Ruby Hastings; and brother, Donald Hastings.

Funeral services will be held at 1 p.m. Wednesday, February 10, 2021 at Broad Street Church of Christ with Terry Broome and Bill Cantrell officiating. Burial will follow in Cedar Hill Cemetery. The family will receive friends from 11 a.m. until time of service at Broad Street Church of Christ.

“ Hello, My name is Les Scott. I was with Stan in Viet Nam, tall lanking with a warm smile and personality. What a guy to be around. Thought the world of him, as well as the other guys there with us. I will never forget some of the times we spent together. He might have saved my life, one day out in the bush, as I was out of our half finished bunker of sandbags, when we got incoming mortars. As I got close, crawling on my belly, to the bunker and incoming was throwing dirt into my face, all of a sudden I landed in Stan's lap. I remember Stan's story's about old Bessie, not sure if that was true, but it was up lifting.  
I googled his name to see If I could contact him since the wife and I might be traveling through that area, when I found this posting. I am so sorry for your loss, I hope his passing wasn't related to the war.

“ Frances and I went for a ride around the farm with Stan and Buddy on the golf cart.

On that ride and later looking at his tractors and other points of interest I realized how much that farm and farm life meant to Stan. While we were looking over the farm Joyce made hamburgers for our lunch. All in all a very pleasant day of hearing stories, which Stan was a natural at telling.
