“ Our hearts are broken over Steiner's untimely and unexpected death and we can only imagine what a difficult time this is for you. May God wrap His arms around your entire family and give you peace.

We were fortunate that Steiner became our neighbor several years ago, and even though it was for a relatively short period of time, we were blessed by the strong friendship that quickly developed between us.

RIP dear friend,

“ My heart breaks to hear of his passing, I worked in the snack shop at goose pond for a year and during that time I grew very fond of him. He was a great man and will truly be missed. Rest In Peace friend.
