“*Sharissa, we are praying for you and your family that you will be comforted in knowing that your mom is in a better place and is at peace. She is being loved by God and her Dad and daughter and other loved ones who passed before her and someday you'll see her again. She has left a beautiful legacy in you as you are a fine and beautiful young woman with a full life ahead of you. Always know that you have a special guardian angel watching over you now.*
