“ I miss you tee. I know everyone does. They say time heals all but it won't heal this. You are family and always will be. You was the best aunt that someone could ask for. My heart hurts and misses you. When I found out it broke my heart. I'm glad your not suffering no more and are in a happy place. I wish heaven wasn't so far so that we could come visit and talk to you. God knows Mickey and the boys needs you. Seeing him hurt breaks my spirit. I hope you check in on us every once in a while. Rest easy and pet bella for us. Don't forget your gone but never forgotten. Thank you for all that you did. Thank you for the advice on so much. If I could hug you I would. Life's short. But you made a impact on everyone around you. I'm not ready for tomorrow.
